CPRS Funding Need

CPRS is planning to remodel the boys' and girls' bathrooms by the gym. They would like to completely update and remodel both at a cost of about \$50,000. This would include tearing out the showers that are not used and replacing with more urinals and toilets and updating the flooring, etc.

The immediate need is the partitions in the current stalls that don't close and are duct-taped together. This project could be done first and would cost about \$17,000 of the \$50,000. So far, \$6,000 has been raised for this project, meaning another \$11,000 at least is needed and preferably another \$44,000, roughly.

For those who want to donate to this project, make check payable to "Centerplace Education Foundation" and designate in the memo for "bathroom remodel project".

Mail check to:

Bob Dickson
29400 E Pink Hill Rd
Grain Valley, MO 64029

You can also donate in your offering envelope on Sunday morning. On the "other" line, write in CPRS.
